

Clinician Electric-Hydraulic with Flat Top **\$3150.00**

Product Code: 1C949E

(Ex Tax & Delivery)

OAKWORKS Spa

The Clinician™ Series just got better, and now comes standard with a removable and replaceable padded top. The Clinician™ Series was designed to meet just about everyone's needs, especially when budget is a priority. The Clinician™ Series comes standard with a storage shelf and the optional cabinet upgrade allows you to store all of your spa table accessories safely and conveniently beneath the clinician, freeing up valuable room space. With the optional cabinet door designs, you can create exactly the look you want while staying in budget. The combination of affordable quality and electric lift functionality make the Clinician an investment in your practice that won't break the bank. The Electric/Hydraulic Lift system is the most convenient way to adjust your table, allowing you to raise and lower the height with the included foot control. Your clients will appreciate the quiet motor that gently lifts them to your desired height while they continue to relax on the table. The Flat Top option is all that you need for some massage modalities and is the most affordable top option available from Oakworks. Our selection of signature padding and upholstery choices all but guarantee that your clients will enjoy every second of their treatment experience and our superior construction ensures lasting quality at an unbeatable price.
