

The i-sopod Floatation Tank

Product Code: 221B55

POA

(Ex Tax & Delivery)

i-sopod[®]

The i-sopod is a superior product packed full of innovative features and technologies, once purchased you can be confident that you have made a wise investment.

Revolutionary - Designed to take float tanks into the 21st Century, i-sopod is the original float pod, a product of years of planning and testing. It's constructed from the finest quality GRP double-skinned mouldings and hand finished and insulated. The most visually striking of all float pods, i-sopod is unrivalled for the size of its internal floating area. Its easy to use, reliable and able to handle a high volume of users with very little

down time for maintenance.
