

## Fitted Stool Covers

**\$30.00**

Product Code: 44417F

OAKWORKS Spa

The Oakworks Stool Cover is designed to fit snugly over existing stools. If your stool's fabric is worn or cracked, or covered in a material other than TerraTouch, this is the best way to make it safe for use. The waterproof, medical grade fabric is designed to withstand the harsh disinfectants the CDC recommends to kill the virus. No other fabric on the market has been tested and proven in the harsh disinfectant environments that TerraTouch has been subjected to over the 15 years of its use in hospitals on Oakworks Medical products.

Fitted Stool Covers are made from available TerraTouch colors at the time of order. TerraTouch colors will vary from cover to cover.
