

## MLW Square

Product Code: 454EC2

**\$5150.00**

The MLW Square is a new design combining the Classic MLW functionality with a contemporary square design base and upholstery corners. The fully electric top and base allows you to raise the table in a smooth and elegant manner to suit your treatment needs. Up to 4 memory positions can be stored in the hand held control allowing you to easily revert to a favoured table position. Options include a heated top, vibration and airbag compressor. A variety of panel design are available in addition to a customised option.
