

Light & Sound Relax

Product Code: 672ADD

POA

(Ex Tax & Delivery)

Relaxation has become an integral component of the spa and wellbeing journey. Creating something people have not already experienced or have in their homes is a challenge for the operator. With the Haslauer Light & Sound Relax, we have created a special area, enhancing the relaxation process by combining light, music and waterbeds. Send your guests on a journey of relaxation with Light & Sound Relax.
