 **PHYSIOTHERM®**

Enough space for two: with the Comfort Line II infrared cabin, you can comfortably enjoy warmth even as a couple. Aroma bath, colour and daylight as well as a built-in music

system turn every stay in your cabin into an individual wellness experience. So you can concentrate fully on your regeneration and relaxation.

Experience a pleasant warming treatment while sitting with the infrared cabins of the Comfort line. The 15° inclined backrests provide a comfortable sitting position, which is additionally supported by the height-adjustable headrest. The infrared cabins of the Comfort line convince with their appealing, modern design and their comfort.
