

Rotary Design AluVap Facial Steamer

Product Code: 6A312B

\$2700.00

(Ex Tax & Delivery)

An innovative steamer by Gharieni. Its short heat up phase and the fully swivelling vapour application arm makes it suitable for all situations where you want to treat your customer with optimum comfort. Its light but strong frame is easily manouvered on a silent wheel base and the storage drawers allow ample storage space for accessories.
