

Features:

- ✔ No chemicals, no residue
- ✔ Allows rapid sanitation of surfaces by steam

Specifications:

- ⚙ Voltage: 220v or 110v

EcoSteam: Hot Steam Disinfection Device **POA**

(Ex Tax & Delivery)

Product Code: 870693

The device uses natural steam disinfection to sanitise surfaces and materials which cannot be treated with chemicals, with steam at 100 °C.

Easy to handle and use, it is ideal for sanitising work stations after each treatment.
