This 3 Bottle Oil Warmer is a favourite for professional massage therapists. This top quality 3-bottle oil warmer will make your client more comfortable by warming your favorite oil, lotion, cream, or gel. It heats up quickly, safely and evenly helping to keep the temperature consistent without compromising the oil's nutrients. The warmer will gently warm 3 standard 8oz bottles (included) to a perfect 60°C/140°F degrees and has an auto-shut off to regulate the temperature. The warmer has five adjustable temperature levels ranging form 100 to 140°F. It will automatically stop heating when it reaches the desired temperature and will resume heating once the temperature drops so there is no risk of under heating or overheating your oil. The oil warmer will alert you that a bottle has been removed with 3 soft beeps indicating that heating chamber has been disabled. Easy to clean, This is a must have for any spa industry professional. Innovative features: Sleek and modern design Compact and lightweight construction for portability Warms massage oils, lotions, and creams Warms 3 bottles simultaneously allowing you to individually removable bottles 5 temperature settings, automatic temperature control and protection Only takes about 20 minutes to reach the constant temperature 60°C/140°F Includes 3-piece removable high quality bottles Easy clean surface
