

MLR Select Series

Product Code: ABE96B

\$5150.00

(Ex Tax & Delivery)

The MLR Select Series is the further development of the MLR Classic and, unlike its predecessor, has lowerable and swivelling armrests. The spa table is available in three different versions: Alu, Wood and Static. The elegant and simple design provides optimum space for the therapists` legs. Two strong lifting columns allow the height adjustment and the inclination of the bed. The lowerable armrests as well as the adjustable head, back, leg and foot sections make the MLR Select a versatile spa table. As an option, the bed can also be equipped with the integrated Smart-Thermo heating system and other features.
