

The Masters Collection - Halo Slimline Trolley

Product Code: B7258D

\$1400.00

(Ex Tax & Delivery)

The Halo Slimline Trolley has a smaller width of 18" compared to the 25.6" width of the Halo Trolley giving the Slimline a smaller footprint. This design features customizable storage options, programmable LED under top lighting, hidden casters and power strip, unique edge design, and a pull out work shelf. After designing your trolley, choose from a variety of different options, such as additional drawers, a dimmable work light, and towel racks. Design your trolley in STUDIO by Oakworks Spa.
