OAKWORKS Spa

The Curva Lounger with IV options creates the perfect balance between comfort and sociability. The NASA inspired curve and tilt creates an incredibly comfortable position that is enhanced by our cloud soft 4" AeroCel padding system. But knowing that many times people want to interact with their friends we made sure that people are upright enough to make it easy to converse with other people.

Perfect for restorative therapies with range of IV accessories

Now available with SoVi VibroAcoustic System - see info sheet for details
