madebyzen

Enjoy the benefits of aromatherapy, hydration and Himalayan pink salt therapy with the madebyzen® Glo aroma diffuser.

Achieving the perfect balance of aesthetics, simplicity and functionality, Glo combines aromatherapy with the calming effects of Himalayan pink salt. It creates an inviting space and a serene atmosphere for relaxing or socialising.

Traditionally mined from the foothills of the Himalayan mountains, our authentic salt rocks create a wonderfully soothing pink glow that can promote deep relaxation and boost your mood.

Using state of the art technology and modern design, Glo will add a touch of luxury to any home. Adding your favourite fragrance or essential oil ensures that the humidifying mist is beautifully scented and completes your relaxation ritual.
