

Vapozone Silver

Product Code: DA141C

\$1250.00

(Ex Tax & Delivery)

BENTLON

The Bentlon Vapozone Silver, like its counterparts in the Bentlon range, boasts a rotating steam arm. This feature allows for seamless adjustment of the steam head and its direction. With a 1.75-liter reservoir and an easily activated power function, the Bentlon Vapozone Silver offers simplicity and effectiveness. Additionally, it comes equipped with a felt ring in the steam head, providing the option to infuse essential oils for an enhanced and soothing experience.
