Product Code: F752B1

\$13145.00

(Ex Tax & Delivery)

The Ancient art of sand bathing, re-invented!

The luxurious design of the MLX Quartz offers an immersive alpha quartz experience that promotes deep relaxation and sensory stimulation for the ultimate 21st century wellness experience.

The warm quartz sand cocoons the body, and feelings of stress symptoms melt away as the bed gently inverts and the built-in massage system works to release tension and promote better circulation. The MLX Quartz supports pain relief states and promotes

immune systems function, leaving you feeling refreshed, rejuvenated, and peaceful.
The gentle yet deeply warming effects enhances the integration of signature treatments, massages and the use of sand poultices - creating a premium experience for the guest.
Elevate your clients' experiences with this natural wellness treatment offering a much-needed getaway from the stresses of daily life.*Shown in standard white finish
