MADISON

MANICURE SPACE FOR NAIL DESIGN

Sleek, modern and draped in style, the Madison Manicure Space by Living Earth Crafts brings a simple style to your nail services. The clean lines are inspired by the avenues of New York and its tempered glass top by fashion-house storefront windows. Minimalistic design meets modern-day chic in this sophisticated manicure space.

STANDARD FEATURES

- Spacious tempered glass flat work surface
- Slimline LED task lamp with double flexible arm for height adjustment
- Convenient slim accessories drawer
- Height adjustable metal slim legs

LED lamp with high-quality brushed steel finish and convenient accessories drawer included
