### STRATA™ COOL FACEPILLOW

We have added this proprietary removable cooling gel pad to the Strata™ FacePillow to create an immediate soothing sensation and dramatically reduce swelling and sinus pressure throughout the spa treatment.

Marine grade Aqua upholstery for extra moisture protection

# PLATFORMS & $| \cap \lambda / S$

Living Earth Crafts is renowned for their highly engineered, proprietary platforms, which combined with our new line of luxurious cushions; provide the most comfortable treatment experiences in the industry.

## FACEPILLOW

Our product designers have fused the finest comfort materials available today, a proprietary blend of blown gel and poly fibers we call CloudFill™ to create a downy soft, yet supportive cushion. Our FacePillow comes upholstered with our luxurious Natursoft™ upholstery with premium double needle stitching.
